I am a software engineer with over 2 years of experience, passionate about web development, cloud, blockchain, and machine learning. I excel at solving complex logical puzzles, love learning, and thrive on facing new challenges. I am highly organized and dedicated to finding efficient solutions to concurrent problems, ensuring both quality and performance in my work.

PROFESSIONAL EXPERIENCE

BUCKS

Head of Development and Team Leader

Bogotá, Colombia

July 2024 - Now

- Enhanced Bucks Finance by adding Providers and Inventory Management modules using AWS Step Functions, Express.js, React.js, and MongoDB.
